Give and Lend

People are much more important than things. When you love people, you care more about them than your belongings. Jesus said we should give to people who ask and not say no to people who want to borrow things. Jesus also said not to ask for things back. When you give, it will be given back to you like a measuring cup that is pressed down, shaken together to make room for more, and running over.

Help Hoarding Horace Give

Horace has much more than he needs. Whenever you see an extra of anything in his room, circle it. Can you find ten extra objects for Horace to give away?

Do you have things you can give away? Sort through your things to find items you don't need. Ask your parents if you can give these items to others who might like to have them.
